April 8th 2026

To whom it may concern,

I am pleased to provide this reference letter for Mashrur Alam, who volunteered with the Mohawk Sustainability Green Team at Mohawk College. The Green Team is a student volunteer program that supports campus sustainability initiatives through hands-on activities, outreach, and leadership opportunities.

During their time as a volunteer, Mashrur Alam contributed 6 hours of service. Their involvement supported the college in creating a more sustainable, climate conscious community for students and employees.

While part of the Green Team, Mashrur Alam participated in the following activities:
- Friendlier Educational Booth
- Sustainability Open House
- Wellness Wednesday
- Winter Seed Sowing Workshop
- Pollinator Garden Planting Event
- Sustainable Crafting

Through these activities, Mashrur Alam demonstrated reliability, teamwork, and a commitment to environmental stewardship. They consistently showed initiative and a positive attitude, and they made meaningful contributions to the success of our programs and events.

We appreciate the time, energy, and enthusiasm that Mashrur Alam contributed, and we believe these experiences have helped them build valuable skills relevant to future academic and professional opportunities.

If you have any questions, please feel free to contact the Sustainability Office at Mohawk College.

Sincerely,

Allison Maxted

Manager, Sustainability Office
